“Changing World, Changing Skills.”

Strategic Themes

Strategic Theme Objectives

● Enterprise Engagement

A single contact point in each region to help employers connect with the range of services and supports available across the education and training sector.

● Education & Training Collaboration

Greater collaboration and utilisation of resources across the education and training system and enhancement of progression routes for learners.

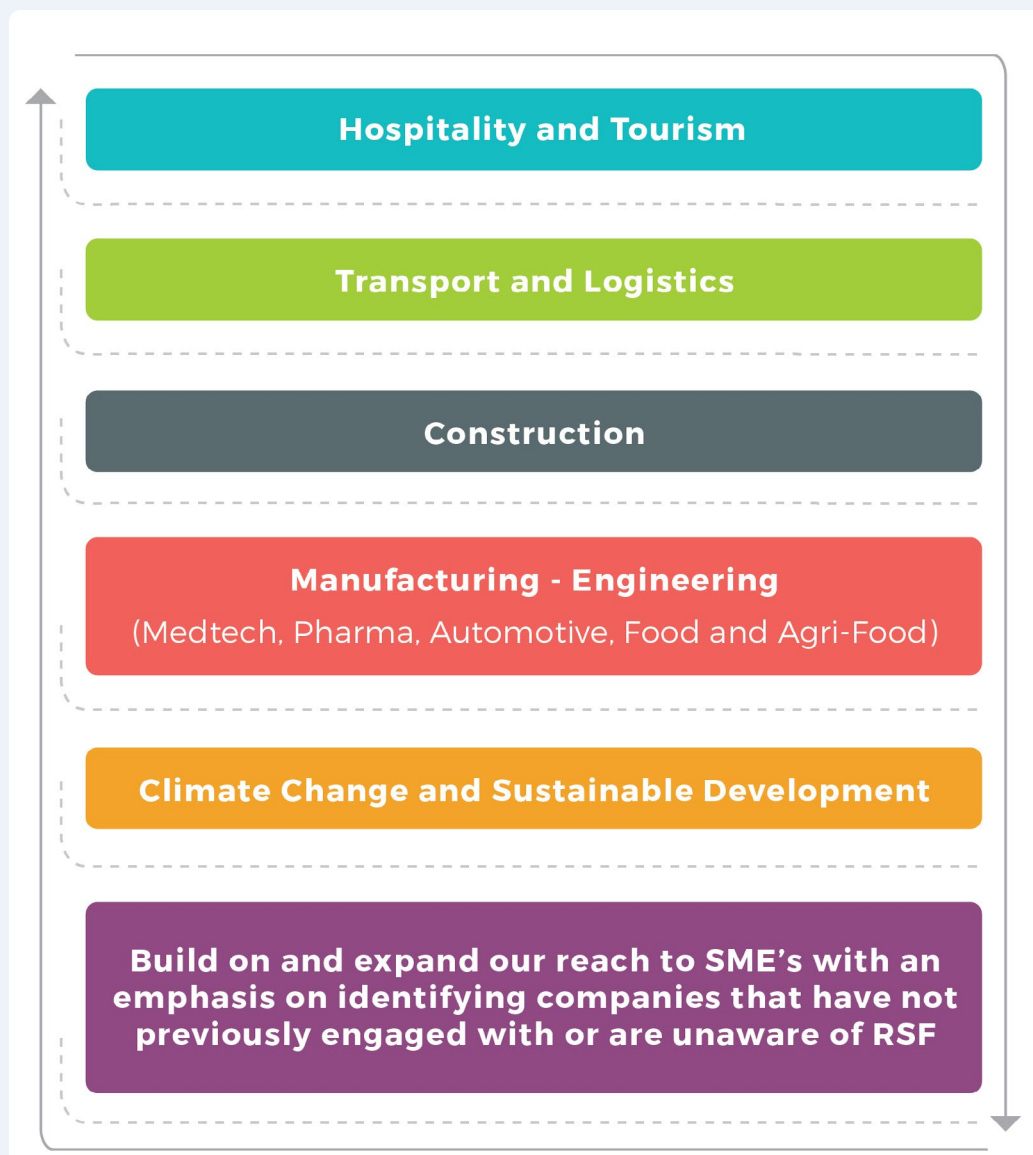

● Information & Analysis

Provide more robust labour market information and analysis of employer needs to inform programme development.

● Communication

A structure for employers to become more involved in promoting employment roles and opportunities for career progression within their sectors.

The Regional Skills Fora have identified the following key sectors for 2020:
